FEELING LOST????

It is probably just that everyone seems to be relocating on campus this fall. The Custodial Services Department can now be found on the second floor of the Central Utilities Building, and the Department of Safety and Security has moved to its new location on the lower level of the mall side of Chapel Hall. If all else fails you can still contact these people by telephone: Custodial Services, 328, 329

"HELP!"

In the 24 hour period of August 29, 1977,
the College consumed in excess of 110,000
kilowatt hours of electrical energy, costing
\$4,840.00. Won't you help in curtailing
this use by turning off lights when not
in use and keeping doors and windows
closed in air conditioned areas?
ENERGY CONSERVATION IS EVERYBODY'S JOB.
